NEWS from The Pacific Northwest region of Rhodesian Ridgeback Rescue, Inc (RRRI), the official rescue for the Rhodesian Ridgeback Club of the United States:

In October, rescue was notified that FIVE, 12 week old pups needed a place to go. Rescue volunteers snapped into action! Notified on Friday of the need, the pups were in their foster home the next day! Hats off to planets aligning in favor of dogs in need! Since we took them in on Halloween weekend, they were dubbed the Bewitched litter and consisted of one ridged male, two ridged females and two ridgeless females. All have been placed. See their group pic above on the right.

The Pacific Northwest Region includes WA, OR and ID. Below are links to rescue coordinator emails.

REGION: northwest@ridgebackrescue.org
WA: washington@ridgebackrescue.org
OR: oregon@ridgebackrescue.org
ID: idaho@ridgebackrescue.org

Other successful placements via Rescue in our region include:

Ronin is a 2 year old male being adopted by his foster family.

Hazel is a 6 year old female adopted in Eastern WA - she has noise anxiety and her new home can deal with that.

Brigitta is a 6 year old female that came from Missouri to Eastern WA; she came from a puppy mill. She was pretty traumatized from her mill life, so we are glad just the right home came along for her.

Samson is a 6 year old male that our Idaho Coordinator, Lisa Acton was fostering - and FAILED!! She made the formal step to adopt Sam Sam and he will be staying with the Actons! Yay, we like that kind of failure!

RRRI is an all-volunteer 501(c)(3) rescue. All donations are tax-deductible.

WE ARE ALWAYS IN NEED OF FOSTER HOMES. We also need volunteers for home checks, dog evaluation (breed identification and temperament), transport of dogs or equipment. Donations of items such as dog beds, collars, leashes, coats and other RR-sized items are always welcome as well.
