If you do not have a number, please visit the AKC web site at: https://www.akc.org/canine_partners/enroll.cfm for a Canine Partners number (for mixed-breeds), or <http://www.akc.org/pdfs/ilpform.pdf> for a PAL/ILP number (for purebred dogs).

- Day-of-Entry Pricing: Bring the completed form and Day-of-Entry fees to the day of the trial prior to the closing time. **Day-of-Entries are accepted if we have not reached the test limit for each test.**

- You will be expected to have complete info on your dog for each entry. Incomplete entries and those submitted by E-MAIL WILL NOT BE ACCEPTED.
- Regular ENTRIES WILL NOT BE ACKNOWLEDGED BY MAIL or EMAIL

General Informaton

- Dogs must be one year of age or older on the day of the test.
- Dogs not present at the end of roll call will be scratched after a 15-minute grace period. Bitches in season, lame dogs and dogs judged unfit to compete will be excused (with entry refunded). Spayed or neutered dogs may be entered. Roll call for field committee and workers will be prioritized.
- Run ordering for Fast CATs will be at the discretion of the field committee, typically on an "is waiting and ready" basis. Priority for field committee dogs running will be given to free them up to work the tests.
- The field committee reserves the right to alter the course plan as required by weather and/or field conditions on the day of the tests.
- The field committee reserves the right to bar known aggressive dogs from the event site.
- There will be a \$5 fine assessed for any loose dog not taking part in the course in progress, or for anybody caught not picking up after their dog or leaving garbage on the field.
- NO ONE will be allowed on the field without the express permission of the Field Chairman, except the appointed field committee.
- Anybody exhibiting unsportsmanlike behavior will be excused from the field and may be subject to further disciplinary action.
- Control of dogs strictly enforced. Dogs must be on leash at all times, except when running.
- Clean up and dispose of all trash.
- Please pick up all dog feces and remove with trash or put in receptacle provided at site.
- Temperatures are historically mid-70's to low 90's

FAST CAT

- The field has some shade and is fenced/gated.
- Please bring your own shade and water.
- Battery powered, continuous loop or drag lure machines will be used. The lure will consist of plastic strips or a squawker. The members of the NWRRRC

reserve the right to alter the course plan as required by weather and/or field conditions on the day of the test.

- Start and finish light curtain system with scoreboard will be used for accurate timing.
- Any person, upon reasonable complaint, may be asked to leave the grounds of the field trial by the Field Committee and may be disciplined by the AKC. Children must be under control of their parent(s) or guardian(s) at all times.
- Neither Wenatchee Kennel club nor NWRRC and its members will be held responsible for any accidents at this trial.

For First Time Coursers and Handlers

- WHAT ARE PRE-ENTRIES? - Entries made before the closing date. If your entry is mailed in time, yet due to the failure of the postal service it is not received in time for the Field Test Secretary to have it at the Event, then you will have to fill out day of entry forms on the day of the test. **Always have your dog's registration materials with you when you go to a test.**
- WHAT ARE "DAY OF" ENTRIES? - Entries accepted after the closing date for pre-entries are considered Day of Entries. The deadline for Pre-entries is typically two days before the event. "Day of" entries are usually more expensive because the Field Test Secretary (FTS) must take extra time to add those entries to the record sheets the morning of the test, which delays the start of the test. If you are entering on the day of the test, you MUST have your completed entry to the Field Test Secretary BEFORE the end of Roll Call.
- SLIP LEADS - There is a type of collar for coursing called a slip lead, which is worn only to control the dog prior to release. The collar drops away as the dog is released to chase the lure and they run without anything around their necks that could be dangerous.
- INSPECTION - Dogs will be inspected by a designated Inspection Committee consisting of at least two persons who are members of the Field Committee and who shall inspect each entered dog for lameness, fitness to compete and female estrus (in season). Inspection shall take place prior to any form of wrapping being applied to the dog. In the opinion of the Inspection Committee, any entry found to be lame, unfit to compete or in season shall not be allowed to enter and the applicable entry fees shall be refunded.
- ROLL CALL - The time, prior to the commencement of coursing, by which you check in with the Field Test Secretary and are supposed to have your dog ready for inspection by the Inspection Committee. At Inspection, the dog is examined for lameness, and breed disqualifications (where applicable). Unspayed bitches are examined to see if they show any evidence of being in

season. After Roll Call and Inspection, the dogs passing inspection will be placed on the Run Order List.

- RUN ORDER LIST - This is a posted list of the running order for the dogs participating in the event. Always check the Run Board after you have checked in and completed your dog's inspection to confirm your dog's Run Order.
- WARM-UP, COOL-DOWN—It is highly recommended that all dogs running are walked out for about 10-15 minutes prior to and after their runs to get them warmed up and to cool them down. The cool-down is very important because it helps prevent lactic acid build-up in the muscles which leads to soreness.

For Experienced Handlers

- All entries whether pre-entered or day-of entries must check in with the Field Test Secretary. You will receive a Run Slip and then proceed with your dog(s) to Inspection. Once your dog(s) pass Inspection, they will be added to the Run Board in groups of 6 (a flight).
- WHAT MUST MY DOG DO TO PASS A FastCAT? - Fast CAT, unlike the CAT, is not a pass/fail, but a timed 100 yard dash after a lure through a start gate and a stop gate. The time is converted over to MPH and then multiplied by a potential handicap based on the dog's height to award points.
- CAN MY DOG EARN AN AKC TITLE FOR Fast CAT?- Titles are earned by accumulating points. The following titles will be awarded: BCAT = 150 points; DCAT = 500 points; FCAT = 1,000 points; and FCAT followed by a number (e.g. FCAT2) for every additional 500 points. These suffix titles will appear on a dog's pedigree, with a higher level title superseding a lower level title.
- **ALL DOGS RUN AT OWNER'S SOLE RISK**
