ELIGIBLE BREEDS AND REGISTRY

Lure Coursing tests and trials shall be open to eligible breeds one year of age or older. Currently these include: Afghan Hounds, Azawakhs, Basenjis, Borzois, Cirneco Del'Etnas, Greyhounds, Ibizan Hounds, Irish Wolfhounds, Italian Greyhounds, Pharaoh Hounds, Portuguese Podengo Pequenos, Rhodesian Ridgebacks, Salukis, Scottish Deerhounds, Sloughis, and Whippets. For a complete list of eligible breeds, visit the AKC website at: http://www.akc.org/events/lure_coursing/eligible_breeds.cfm. Note: Portugese Podengo Pequeno and Foundation Stock Service (FSS) breeds are not eligible to compete for Best in Field.

Eligible dogs must be either individually registered

with AKC, recorded with FSS, individually registered with a foreign or domestic registry organization whose pedigrees are acceptable for AKC registration, or that have been granted a Purebred Alternative Listing (PAL/ILP). Hounds may not be entered as "registration pending" or "PAL/ILP pending" whose pedigrees are acceptable for AKC registration. A dog with an AKC Limited Registration or Conditional Registration shall be eligible to be entered in Lure Coursing tests and trials, as are spayed and neutered hounds. Monorchid and cryptorchid hounds are ineligible to participate. FSS breeds may earn suffix titles only.

TESTS & STAKES OFFERED

JUNIOR COURSER TEST: Open to all hounds of an eligible breed. A hound at least 12 months of age running alone shall receive one qualification from a judge, and a second qualification from a different judge at a separate event, stating that the hound completed the course with enthusiasm and without interruption. Two qualifying runs earns a JC title.

QUALIFIED COURSER TEST: A hound at least 12 months of age (Qualifying Hound) running with another hound of the same breed - or another breed with a similar running style - (Testing Hound) shall receive certification from a licensed judge. The qualifying hound must complete the course with enthusiasm and without interruption, sufficiently course the lure and not course the Testing Hound. The testing hound must run a sufficient length of the course to allow evaluation of the qualifying hound. If two non-qualified hounds are run together, both dogs can be certified by the judge. It must be understood that if one dog fails to complete the course, the other dog may not qualify. The judge will certify that the Qualifying Hound ran cleanly and did not appear to present a hazard to the Testing Hound at any point in the qualifying course. This certificate is required to enter a hound in an Open Stake.

The handler presenting the Qualifying Hound shall be responsible for providing the Testing Hound for the

qualifying course.

Upon successful completion of the Qualification Courser test, the judge completes a certificate and awards it to the handler. This certificate must be submitted to the host club with the hound's first entry in an Open Stake. An ASFA Certification Course certificate may be submitted in lieu of the AKC Qualified Course certificate. The certificate must be included when the results of the trial are sent to the AKC.

It is strongly recommended that every Qualifying Hound have been run previously alone and that to the handler's satisfaction runs cleanly and keenly. It is additionally recommended that every Qualifying Hound practices with other hounds prior to being presented for a qualifying courser test. It is to be understood by all that training prior to running a hound with other hounds in competition is essential to ensure that the hound is prepared to run safely with other hounds.

SINGLES STAKE (trial): A non-titling stake open to all sighthound breeds eligible to participate in AKC Lure Coursing trials. Dogs run alone, are scored and placements are determined based on the dog's scores.

OPEN STAKE (trial): Open to all hounds that have obtained an AKC Qualified Courser certificate or an ASFA Certification Course certificate. This requirement will be waived for hounds that have earned a Field Championship title from the American Sighthound Field Association (ASFA) or the Canadian Kennel Club (CKC). ASFA or CKC Field Champions must submit a copy of their title certificate to the host club when they enter their first AKC Open Stake. This copy must be included when the results of the trial are sent to AKC.

Championship points earned from the Open Stake will only count toward a Field Champion title.

Hounds that have earned an AKC Field Championship title of record are not eligible to enter the Open Stake.

SPECIALS STAKE (trial): Open to all hounds that have

earned their AKC Championship titles. Championship points earned from the Specials Stake will count toward Lure Courser Excellent titles.

Qualifying scores earned from the Specials Stake will count toward a Senior Courser or Master Courser title.

VETERANS STAKE (trial): Open to all hounds which are eligible to enter Open or Special Stakes and meet the age requirement for a veteran as established by the breed's parent club - 6 years of age; except Irish Wolfhounds = 5 years, Whippets = 7 years, Rhodesian Ridgebacks = 7 years, Salukis = 7 years, and Afghan Hounds = 7 years. Championship points will be awarded. Points won from the Veteran Stake may count toward either a Field Championship title or Lure Courser Excellent title.
